

X-Cell Aviation New Student Checklist

Prior to Sign Up Meeting

- Order Student Pilot Kit from X-Cell Aviation. You will receive it at you Initial Sign Up Meeting with the Instructor.
<http://www.x-cellaviation.com>
- Watch Rental Agreement Video on <http://www.x-cellaviation.com>
- Ipad Mini – Version 1-4 are to slow. If a Mini 5 You Really want a WHITE FACE. Black Overheats in the Sun Easily. Mini 6 (Recommended) Color Does Not Matter. It is all Screen. WiFi Version is Fine. Cellular is nice but not required (Internal GPS) Any Memory will work.
- Create an Account on FAA License Website. iacra.faa.gov
Make sure to write down your FTN# and log in info and bring with you. Very Important!
- Log in to IACRA and apply for a Student License.
Some find it difficult to navigate. If this is the case wait and your instructor will help you apply.
- Confirm you are not on any Medications that would hinder your FAA Medical
<https://www.aviationmedicine.com/medication-database/>
- Create an Account on FAA Medical Website. medxpress.faa.gov
Make sure to write down your log in info.
- Fill out Application for Medical on Medxpress
- Text our Schedule Line to Set Up you Initial Sign Up Meeting (812) 781-8855

What to bring to Sign Up Meeting

- Photo ID
- Either a Valid Current US Passport or a Birth Certificate
The TSA requires us to see and copy for proof of Citizenship prior to initiating training.
- IACRA FTN# and Log In info.
- Ipad Mini (If you have it. It is OK if you do not.)

What to Complete within the first few weeks after Sign Up

- Schedule your FAA Medical Exam. Dr Greer is the only one in town. You will need a 3rd Class Scheduled with Deaconess. Just let them know FAA Medical (812) 858-2100
- Complete Runway Safety Course. Link is on Training Web App. Completion Certificate must be given to your CFI. <https://www.aopa.org/lms/courses/runway-safety/#splash>
